Personal Statement

Hello, my name is Nathan Wang and I'm a UI Designer and Front-end developer. I'm a restless creator and my passions lie in integrating seamless solutions with designs that best represent the product's identity while creating an enjoyable user experience. Thirsty for knowledge, I believe that always keeping an open mind and always improving oneself is an essential trait to becoming a better designer.

Work Experience

DESIGNATION LABS

Visual Designer

April 2015 - Present

Participated in an 18-week, 70+ hour per week apprenticeship focusing on design, front-end development, and UX. Collaborated in an agile environment to design and develop responsive websites and mobile apps for various clients.
